Re: 911 Fee Increase in Jefferson and Broomfield Counties, Colorado

To Whom It May Concern:

Effective January 1, 2018, the emergency telephone charge (the “ETC”) imposed by the Jefferson County Emergency Communications Authority (“JCECA”) will increase from \$0.70 to \$1.15. The ETC authorized under C.R.S. § 29-11-102 and is more commonly known as the 911 fee.

The increase was approved by the Colorado Public Utilities Commission in Decision No. R17-0785 in Proceeding No. 17A-0179T. The ETC is required to be remitted monthly. The service area of JCECA remains unchanged. Information regarding the service area of JCECA can be found at this link: <http://jceca.org/etc.html> .

If you have questions, please contact me. My contact information is set forth at the top of this letter.

Yours truly,

Jeffrey J. Irvin, JCECA Executive Director
